RE: Employee Party/Sycamore Centre/October 22, 2004

Dear George:

Enclosed please find our check in the amount of \$50.00 to cover the additional hour Billy Collins provided for our employee appreciation party last Friday night. We had the greatest time, and Billy was terrific. The music selections throughout the entire evening were always right on for what was happening. And once the casino games stopped, the dance floor was jamming! The employees have been telling me since Monday what a great party it was and how great the music was. Please convey our thanks to Billy.

I look forward to working with you and your crew in the near future. You really know how to add the extra touch to a party! Thanks again.

Sincerely,

Dear Mr. Graham,

Just a quick note to let you know how pleased we were with your company's services for our July 31st wedding at the Lakewood Country Club. Our DJ Billy Collins far exceeded our expectations and contributed greatly to the success of our special day. His professionalism and knowledge of all facets of wedding etiquette made him a perfect match for our classy upscale afternoon affair.

Mr. Collins had the wonderful ability not only to promote a fun atmosphere, but also to read the crowd and play exactly what the guests wanted to hear. He played a wide variety of music, and seemed to know without hesitation what was appropriate with regards to the ceremony, cocktail hour, and during lunch. He knew exactly when to slow things down with something romantic, and also when to heat things up and keep people on the dance floor.

We were fortunate to receive numerous compliments on his services, and had the opportunity to share his name with many of our family and friends that are considering DJ services in the future. Thanks to the efforts of Mr. Collins, we have been able to hear over and over those wonderful words that every wedding planner loves to hear, "That was the best wedding I have ever been to!"

Please feel free to use us as a reference to the outstanding services of Mr. Collins.

Sincerely,

Evan and Amy Hargrove

Dear Billy,

We just wanted to take a minute to say thank you so much for making our company's "First Annual Christmas Party" a huge success. Everything from the dinner music to the dancing music could not have been more perfect. Our company has a very diverse group of people and you played something to please everyone. We especially enjoyed your "Slide" lessons.

You will definitely be hearing from us when we make plans for our next party! Thank you again. You were fabulous.

Dear Billy:

You were great! Thanks for making the Surfin' Safari Beach Party at our 81st annual convention a wonderful evening. I really appreciate you taking the time to reinforce the park rules regarding taking drinks out of our area and reminding our guests who forgot about their belongings.

You had total control from beginning to end and they danced to everything from the Hokey Pokey to the Conga. It was a fun night and a great time was had by all.

Sincerely,
