

9/1/05

Hi George,

Josh and I want to thank you for the great job you did at our wedding on 8/6/05. In spite of the heat and the lack of movement from the guests, you still managed to keep everyone going. We had so many people comment to us about the great job you did and how great the music was. Personally, my favorite part was the cake cutting! It was so perfect how you got everyone out there to stand

around us and to SING "love and marriage" (you were right - everyone loved it!) The whole day was wonderful - so thanks again - you made our "perfect day" all the more better 😊. It was such a pleasure working with you and please feel free to use us as a reference - we would recommend you 110% to anyone looking for more than "just a DJ" for their special occasion. 😊 Sincerely,

Josh and Melissa Taylor

RE: July 9th Wedding Reception, Dattilo Restaurant

Dear George:

We wanted to thank you for everything for our wedding reception. Brian and I had a wonderful time and we really appreciate how smooth everything went. Because we did not have a wedding coordinator, your help guiding us and facilitating the events during the reception was so helpful.

I have to say that we have received and continue to receive so many comments about the music that night. Brian's brother has been to numerous weddings in the past year, and he said that ours was the "funnest he has been to in a long time!" We really loved how you placed such an eclectic collection of music too. The younger guests had a great time dancing to the more contemporary and popular music and the guests my parents' age had a great time dancing to the more classic stuff.

Thank you for making our wedding such a memorable and fun experience! We really appreciate everything and recommend you to anyone looking for a fun and enjoyable event!

Sincerely,

Dear George:

I want to take this opportunity to express our sincere appreciation to you and DJ Connection for the wonderful services that you provided at our wedding ceremony and reception. Our wedding was a great success and that was largely due to your expertise. You were very organized and professional, while at the same time providing our guests with an atmosphere that was very warm, fun and friendly. It was such a pleasure for us to see all of our friends and family enjoying them selves out on the dance floor!

George, you made us feel like we were in the best of hands and for that we remain very grateful. It is with great pleasure that we highly recommend the services of DJ Connection.

Sincerely,

George,

We just wanted to thank you for the great job that you did at our wedding. Everything went incredibly smooth, and you looked great. The music was perfect, and everyone had a great time. We have been able to view our pictures from the wedding, and the candid dance shots were the best. You did the music for my parent's anniversary party about 5 years ago and due to the awesome job that you did then, you did my friends wedding 3 years ago. So, of course when we got engaged, you were the first and only person that we called. Anytime anyone needs a DJ, including ourselves you will be the first one that we call. Thanks again for contributing to make our wedding day truly perfect.

Sincerely,

Bobby and Aisha Harris
